

Malek Mahmoud

PROFESSIONAL DESIGNER

Egypt,Cairo | m25fonts@gmail.com

Objective

A creative and passionate graphic designer and web developer, I strive to design professional logos, websites, presentations, and videos. My goal is to help individuals and businesses build unique identities through stylish, modern, and impactful designs.

Experience

Freelance Designer

2023 - Present

- I designed logos for startups and businesses.
- I created professional presentations that increased customer engagement.
- I produced marketing videos and social media posts to enhance your brand's presence.
- I developed personal websites to showcase your work using HTML and CSS

My Personal Projects

2025 - Present

- I created a responsive website to showcase my services.
- I designed brand identities for clients across various industries.
